1. **Matsumi Kanemitsu: Metamorphic Effects**

Through December 20, 2014

The Mistake Room

An abstract expressionist with a sense of humor, Matsumi Kanemitsu worked in L.A. for years and this show is presenting a lot of work that hasn't been seen publicly for decades, if ever. Since Kanemitsu was born in 1922 and died in 1992, it's a funny change for The Mistake Room, which has so far featured especially young artists.
